**Subject:** Sears - Admin Claim Consent Program - Reconciliation Request Information for Certified Capital

All – I have not received any response to my emails from Tuesday regarding my client's, Certified Capital, reconciliation request, including whether any additional documentation is needed.

I know you are working in an expedited time frame so appreciate a response in the event there is something more my client needs to provide.

I am leaving the office shortly but available on cell 310.614.5144 as needed, and I am in the office tomorrow afternoon.

Thanks for your prompt attention,

Eve

**Subject:** Sears - Admin Claim Consent Program - Reconciliation Request Information for Certified Capital

All - attached is the proof of claim filed by Certified Capital in the Sears/Kmart cases. It has a spreadsheet at the back that divides the claim into portions, including an administrative expense portion. The administrative expense portion provides specific detail of the components that make up the claim by line item.

Certified Capital was a long term Kmart landlord so I am hopeful that you have accessible books and records to confirm the spreadsheet line items. If you need more detail from Certified for the reconciliation, please advise as soon as possible.

Best,

Eve
